- Alice            My family will be looking for me. They'll be scared!
- Carrie           That's what I was going to tell you, I went into your email and sent Children's Special Services a letter telling them you had a family emergency.
- Alice            What?
- Carrie           Yeah I thought I was going to have to get your passwords and then you would say no and I imagined this whole way I would get your passwords out of you but as it turns out you are auto logged into every account. I emailed work, and I even filled out a temporary leave form and I emailed your Dad and your sister and your bestie Char.
- Alice            Char is not my bestie.
- Carrie           Really? She's the one who emails you the most. Oh I thought she was, who is your bestie then?
- Alice            I don't have to tell you.
- Carrie           Gwen? Julie? Cause Julie seems non-committal.
- Alice            She's doing her masters and has celiac.
- Carrie           I even updated your Facebook page to say you were taking a social media break and to email or text if you need.
- Alice            You what? You impersonated me? You can't do this!
- Carrie           Oh I just got an email from your sister, (*Carrie reads*)
- Dear Alice, I'm so happy for you that you are taking some personal time for yourself and I hope you have a wonderful time! Thanks so much for keeping us in the loop. xoxo
- Alice            Ugh, she is always so judgmental.
- Carrie           How is that judgmental?
- Alice            "Keeping us in the loop" it's her way, her passive aggressive way-
- Carrie           Ok. I have an awkward question.
- Alice            How could things possibly be awkward between us?

Carrie Jerod. Do you want me to ignore or engage?

Alice Ignore. Ignore, Wait, What do you mean?

Carrie I mean, there are some pretty pretty wow... photos

Alice What? Since when?

Carrie Yeah I guess you haven't seen them, well yeah.

Alice Can I see them please?

Carrie I'll find them hold on,

*Carrie shows her the phone.*

Alice Oh My God!

Carrie Yup. Did you ask for nudes?

Alice No I did not.

Carrie I mean I'm not judging, I know it's a thing... but did you ask specifically for photos of the balls?

Alice No!

Carrie Oh man, then that is gross. Especially that one. He's gardening? like he doesn't even know, but he knows.

Alice Why would anyone send pics of the balls?

*Carrie scrolls down to show her another one.*

Alice I drunk dialed him. Oh god.

Carrie What did you say?

Alice I don't want to talk about it.

Carrie Whatever you said, that is a really weird thing to do.

Alice You are judging!

Carrie Unless. I guess, unless you said please me pictures of your balls while doing chores? Did you say that?

Alice It was harmless fun.

Carrie That is such a close up!

*She shows Alice.*

Alice He must have gotten someone to take that?

Carrie Or a selfie stick, a tripod?

Alice What do I say? How am I supposed to respond?

Carrie I do not know.

Alice I don't want to hurt his feelings.

Carrie How about just some thumbs up and some smiley faces?

Alice No.

Carrie Are balls a thing now? Whose idea was this?

Alice Enough! How long are you going to keep me here?

Carrie I just needed you to do your job.

Alice I can do whatever you want!

Carrie And now I need to educate you.

Alice Educate me how?

Carrie I honestly don't know.

Alice What is your plan?

Carrie I have to run. So, have a nice night!

Alice Bye.
