

Scene 8 Facebook 3

Hannah Bernstein I feel like punching someone! There was a field trip at school today and they left Sadie behind with an EA because the Handi transit was late. I mean I know the teacher felt awful but could they not have found another way? Nobody has a minivan? Like am I wrong to feel outraged?

Jen Harding Sad Face. The same thing happened to my son. They called and said they were understaffed and unless me or my husband could come immediately, they couldn't bring him. I was in a meeting and didn't get the message until it was all over. I still want to cry about that and it was 12 years ago.

Jill D So upsetting! I'm a teacher and a parent and let me tell you, schools are so scared of not following the rules, "everything by the book" they lose their common sense.

Drums Call the superintendent! Get mad and demand that never happens again!

Mamarant If they can't take all the kids, they don't go. FUCK DAT.

FUDGE SUNDAY LOL Mamarant you said it!

Scene 9

START Carrie drags and pushes Alice in a hockey bag. She has her hands taped and legs taped. She's also put a toque over her head. She brings her into an old building which is in an art studio.

Carrie I'm so sorry! I really am. This is outrageous right? Jesus. You must be freaking out, I know I am FREAKING OUT! Like who does this? You know you read these articles about when people just SNAP! I guess that is what happened here, I just lost it.

Alice moans. Carrie takes off her hat.

Carrie Can you breathe okay?

Alice moans again.

Carrie I just can't take off your tape yet. I'm just not emotionally ready to hear you speak okay? I am obviously a little jazzed, a little wound up here and I need to think out loud and just try to figure out what has just transpired. WHAT HAS transpired Alice? I mean, Jesus. Like, I've fantasized about this kind of thing but I never ever have the guts, like I walk away from every conversation and say I

should have said. Aaaaa, why didn't I say X, But here we are right? You must be shocked. Oh man I'm sure it's scary too but like please know, I've never done a violent thing in my whole life! I would never hurt you and I am not some criminal that's going to keep you locked up.

Alice (with tape over her mouth) But..

Carrie Fair. You're right. I'm *not* going to hurt you. Well, I'm not going to hurt you anymore, and I guess I'm not going to hurt you if you can just... I'm not going to, I don't want to hurt you. I really haven't thought this through. *Beat.* I WILL HURT YOU if you try anything. Don't even think I won't. I ... I am in charge here. And I say what happens and I say what this is about, this this.... Do you need water?

Alice Yes.

Carrie I should take that tape off. It's going to sting. Oh man, can we make a deal though that you don't talk for a few minutes, I'm still just kind of reeling and I need you to just be calm.

Alice Please!!

Carrie Ok, shit, this is going to hurt. It's so sticky, like oh damn, it's going to take off your mustache.

Alice I don't have a mustache.

Carrie Well?

Alice Just do it.

Carrie Ok 1,2,3, uh man. I don't want to hurt you.

Alice Please.

Carrie 1,2,3, Fuck! Oh man I'm so sorry. I'm the worst. That is the worst. God I need to just-

She rips it off.

END

Alice screams. Carrie screams. Alice keeps screaming, bouncing screaming for help.

Carrie NO NO NO NO !!! That wasn't part of the deal!

Alice I didn't make a deal with you! Get me out of here! You are crazy!!!!
