

Tonia W. God only gives us what we can handle!

Carrie Oh, respectfully Tonia W, I disagree. I can't handle it.

Fudge Sunday Carrie, PM me, it sounds like you need to talk.

Tonia W Are your babies ok? Right now? Are you alone?

Carrie Everyone is fine. I didn't mean to alarm anyone. I'm just in a big hole and I don't know how to get out.

Terra C I might have a shovel, PM me.

@Mamarant Mamarant here! Posting link It's like Air B and B but instead of a vacation it's an escape plan. They'll get you passports and wheelchairs. #Community #Muscle arm #women #strongwomen #mothercourage #fightforchildren #arrestthis #fuckcancer #callme

START

Rachel Enters.

Rachel Carrie! Hey, how's it going?

Carrie Oh hi Rachel, good... good.

Rachel Oh my God. Are you ok?

Carrie I was in an accident. I'm ok. Just a bit banged up. You should have seen the other guy!

Rachel Oh haha! Did you get my email? I'm not sure if I have the right one. And I tried to find you on Facebook but I

Carrie Sorry, just a bit busy right now.

Rachel No big deal, I just wanted to make sure you got my message about Lauren's party. She always wants to invite Daniel of course but we have all those stupid stairs.

Carrie I know, what are you going to do right?

Rachel Well, this year we –

Carrie Hi honey! Be right there! What are they doing?

Rachel Oh they were composting and now they get to take home dirt or something?

Carrie They look happy. Rachel, don't feel bad, I know you would include Daniel if you could and I appreciate you always checking in but-

Rachel No, this year, this guy brings reptiles and all kinds of animals to your house and all the kids get a look and then yuck right, anyway, as I finally took my head out of my ass and was like Oh my god, my mom moved into this new place and they have a party room and it's all accessible and they have an elevator and I was like Oh my God! Daniel can come to this party and then I just felt sick that I hadn't thought about it before, that I just always kind of freaked out every time one of my kids had a birthday party and tried to have a nice party without sending a fortune because it can get so out of hand but Lauren was like Mama, Daniel is one of my best friends and I can never have him and that's our fault because we could just go to the Children's museum and why do we always have to come here? And I was like, "Sweetheart, I'm so sorry! You're so right!" Please tell me you guys can make it next Saturday.

Carrie Next Saturday, yes yes Rudy can bring him... if I can't.

Rachel Thank god. I'm so relieved. I thought maybe you were pissed –

Carrie Oh no, why would I be –

Rachel I don't know but I'm just sorry that I finally figured it out.
Does Daniel have allergies? There won't be any nuts in anything because of Caleb but I can make these gluten free cupcakes-

Carrie starts sobbing. Embarrassing, out of hand, sobbing.

Carrie *(Through tears)* Daniel has no allergies and he will be thrilled with lizards and Lauren.

Rachel Oh no, Carrie what's wrong?

Carrie Nothing, it's just you know, emotion.

Rachel Sure, sure, but is there anything I can do?

Carrie I really don't think so.

Rachel Lauren, Daniel, Nathan! Do you guys want to play for a few minutes?

Okay! Have fun! Put your mittens back on sweetheart!

Carrie Josh is on patrol. I need to tell him I have his vest.

Rachel Josh! We have your vest!

Carrie Thank you. You're a nice person.

Rachel I have some whiskey in the wagon.

Carrie Oh that would be a terrible idea but thank you so much for the offer.

Rachel Hey, I'm here hanging out with the kids. If you need to take a walk, or I don't know, maybe you need to wash your face? Or- yeah, start with washing your face. and maybe, do you smoke? - I insist! I'm bossy but I have snacks and you seem stressed.

Carrie Maybe just for half an hour? An hour? Thank you so much Rachel, I owe you one!
Bye guys, be right back!

Attention People, Many of us know Carrie and Paul and the cute boys and they need our help! They have an awesome lawyer but we need donations for the legal fees and anyone local could help with rides to soccer when Rudy Scarcella can't take them. It would also help for those that have had misconduct issues with Alice Carter to get that on paper and send to the lawyer. Link to lawyer. Sign up for the meal train with Zack @AutismAuntys. #Community #Union #StrongerTogether #fucktheman
